

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-380-4554. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.webtpa.com](http://www.webtpa.com) or call 1-844-380-4554 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$1,700/person \$3,400 /family - * Preferred Primary Care <a href="#">providers</a> and Preferred network (EHN) and \$3,200/person \$5,000/family - *Expanded Network(Aetna) \$7,500/person \$10,500/family <a href="#">Out-of-Network providers</a> *In-network <a href="#">deductibles</a> cross-apply.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay. See the chart starting on page 2 for a description of when the deductible does not apply.
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> is covered 100% before you meet your deductible when using an in-network <a href="#">provider</a> . Primary care is covered 100% before you meet your deductible when using a Preferred Primary Care <a href="#">Provider</a> . <a href="#">Urgent care</a> is covered 75% before you meet your <a href="#">deductible</a> if you use a Preferred <a href="#">provider</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No. There are no other <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this <a href="#">plan</a> covers.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	\$3,325/person \$6,650/family – * Preferred Primary Care <a href="#">Providers</a> and Preferred network (EHN) \$6,650/person \$13,300/family- *Expanded Network (Aetna) \$13,300/person \$26,200/family - <a href="#">Out-of-Network Providers</a> *In-network <a href="#">out-of-pocket limits</a> cross-apply.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met. Once an individual meets his or her out-of-pocket limit, the plan will pay 100% of the covered expenses for that individual.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges, health care this <a href="#">plan</a> doesn't cover, and penalties for failure to obtain <a href="#">preauthorization</a> for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. Preferred Network: <a href="https://members.ehnconnects.com/">https://members.ehnconnects.com/</a> Expanded Network <a href="http://www.aetna.com/asa">www.aetna.com/asa</a> or call 1-844-380-4554 for assistance with network <a href="#">providers</a> .	You pay the least if you use a Preferred Primary Care <a href="#">provider</a> . You will pay most if you use an <a href="#">out-of-network provider</a> . You may receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your plan pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
